

Dura-Bar® Cast Iron Bars

"The Most Specified Brand in the Industry"

Lower your costs and improve your productivity with **Dura-Bar® Continuous Cast Iron Bars**.

By using **Dura-Bar®** you will be able to increase your profit margins by machining more parts per hour, decrease your cycle time and increase your productivity...

- ...PLUS** Optimize your machining speeds and feeds
- ...PLUS** Lower your tooling costs by maximizing tool life
- ...PLUS** Decrease downtime for tooling changes
- ...PLUS** Reduce scrap by using a defect-free material

Together, it all adds up to a lower total cost per part!

Alro Steel was founded in 1948 by brothers Al and Robert Glick in Jackson, Michigan. The company is a distributor of metals and plastics. Alro is focused on offering cut-to-size metals and plastics with next day delivery to over 50,000 customers in North America. Alro operates over 80 locations in 16 states and provides a broad inventory of products under the following companies: Alro Steel, Alro Metals, Alro Metals Outlet, and Alro Plastics. Focused on exceeding our customers' expectations, we build relationships with all our customers, large and small. [To learn more, please visit alro.com.](http://alro.com)
