Terms and Conditions:

Returned Goods

Orders may not be returned without prior authorization from Alro. If the responsibility is ours or the manufacturer's, we will replace the material promptly. In all other cases, we will attempt to minimize the customer's expense or loss. If we authorize a return, we reserve the right to make reasonable handling charges for returned goods.

Cancellations

Special orders (goods not normally carried in stock) may not be cancelled without our prior authorization. Such authorization will depend on terms we receive from the manufacturers. Orders for stock material that have already been processed may not be cancellable. This determination will be made at Alro's sole discretion.

Claims

Claims for shortages in shipment, defective goods, or errors must be made within 10 days after receipt of order. Claims for shortages or damage caused by delivering carrier should be made directly with them. Claims for defective material may need to be inspected and approved by the manufacturer before credit can be issued.

Responsibility

Alro's liability is limited to replacement of defective material. We are not responsible for and assume no liability for labor, incidental or consequential damages or other expenses. Statistical information contained in this catalog (pertaining to speeds, strength, specifications, proper working load of materials, tools, machines) was derived from manufacturer's tables and reprinted by us for our customer's convenience. We assume no responsibility by this reprint.

The information contained in this catalog has been prepared to the best of our ability, however, there is no guarantee that all of the information is correct and updated. The latest version of this catalog can be found online at www.alro.com.

This catalog has been compiled to provide information on a wide variety of products to assist with selecting the proper materials for your application. All of the information listed in this catalog is for reference only. The information listed should not be the final determination in material selection for your specific application.

Alro Metals Outlet

Alro Metals Outlet retail stores are a new concept in metals, plastics and industrial distribution. We have taken the inventory availability of a standard service center and combined it with the convenience of a retail outlet.

Alro Metals Outlet specializes in drops and standard length materials in a variety of metals, plastics and hardware supplies. Alro Metals Outlet is proud to offer several product grades to meet your individual needs.

We stock the smaller drops of rounds and rectangle bars, structural shapes (beams, channels and angles), sheet and plate.

In addition to drops, we offer standard sizes of bar, sheet and plate to meet your manufacturing specifications. We also inventory a variety of industrial hardware supplies. If your metal needs exceed your transportation capabilities, a delivery service is available providing you delivery.

Our Retail Outlet setting is ideal for:

- Industrial Manufacturers
- Machine Shops
- Sheet Metal Shops
- Welders
- Marine/Boating Shops
- Building Contractors
- Maintenance Shops
- Industrial Contractors
- Prototype R&D Shops
- Model Builders
- Hobbyists

Our inventory includes stock lengths & cut-to-size pieces of the following items:
