About Alro

Integrity. Loyalty. Honesty. These principles have guided Alro Steel since our founding in 1948 by brothers, Al and Robert Glick. From a small garage in Jackson, Michigan, Alro Steel has grown to over 70 locations in 12 states. Alro distributes metals, industrial supplies and plastics. A wide variety of processing services are available including cut-to-size metals and plastics with next day delivery to over 25,000 customers in North America.

Focused on exceeding our customers’ expectations, we build relationships with all our customers, large and small. To learn more, visit alro.com.

e-Business Solutions

Alro has implemented cutting edge e-Business technologies, which provide significant cost savings to our customers. We made the technology investment for you, so you can start saving today!

- **Alro Online Store** - Your single source for Metals, Plastics and Industrial Supplies. Using alro.com, customers can browse our vast inventory offerings and purchase cut-to-size metals, plastics and industrial products online.

- **B2B - Business-To-Business** – We can electronically pickup and deliver a variety of business transactions including quotes, purchase orders, invoices, advance ship notices, CAD drawings, etc.

- **Tool Management Solutions** – Alro offers automated inventory systems for your shop floor, including our proprietary SmartCell tool vending solution and a variety of scanner based solutions.

- **Customized Summary Billing** – As an alternative to paper invoices, summary invoices can be customized to your needs and delivered electronically to eliminate or significantly reduce paperwork.

Alro Metals Outlet

Alro Metals Outlet locations stock a broad range of metals and plastics in a convenient retail setting. Metals Outlet specializes in small to large orders, perfect for machine shops, do-it-yourself (DIY) and maintenance departments.
