PRESS RELEASE
FOR IMMEDIATE RELEASE

Alro Plastics – Grand Rapids, MI
October 7, 2021

Alro Plastics has moved into a new 70,000 square foot facility located at 4670 60th SE, Grand Rapids, MI 49512. Please visit alro.com for a map and directions.

The larger building has expanded inventory and processing services. Grand Rapids can cut plastic sheet up to 6 inches thick x 14 feet wide x 14 feet long and rod up to 14 inches in diameter. Other plastics processing services include extrusion welding, flame polishing, heat bending, gluing, and bonding. The facility includes 2 new additional Onsrud CNC Routers to meet our customer's per print machining needs. Cut-to-size plastics and next-day delivery is available to customers in Grand Rapids.

Alro Plastics began in 1987 in Jackson, Michigan to provide Alro Steel's existing customers with a wide range of plastic products. Offering next day delivery and cut-to-size processing, Alro Plastics maintains a large inventory of sheet, rod, and tube in standard, engineered, and high-performance materials. Alro Steel was founded in 1948 by brothers Al and Robert Glick. Alro is focused on offering cut-to-size metals and plastics with next day delivery to 25,000 customers in North America. Alro operates over 70 locations in 12 states and provides a broad inventory of products under the following companies: Alro Steel, Alro Metals, Alro Metals Outlet, Alro Industrial Supply, and Alro Plastics.
