FOR IMMEDIATE RELEASE

Alro Adds New Orlando Location

Alro Steel is excited to announce the opening of its new 254,000-square-foot facility in Oviedo, Florida, expanding the company's presence and capabilities in the Orlando market. Located at 1897 West Chapman Road, the new facility significantly increases Alro's local inventory and processing capacity, providing customers with greater product availability, expanded processing options, and faster shipments.

The facility stocks a broad range of metals, including aluminum, alloy, carbon steel, stainless steel, tool steel, cast iron, brass, bronze, copper, and more. Available shapes include bar, sheet, plate, pipe, tube, and large structural shapes. The Oviedo facility also features state-of-the-art tube laser and plate laser equipment, furthering Alro's continued investment in the products, processing, and service our customers depend on.

Alro Steel was founded in 1948 by brothers Al and Robert Glick in Jackson, Michigan. The company is a distributor of metals and performance plastics. Alro is focused on offering cut-to-size metals and plastics with next-day delivery to over 50,000 customers in North America. Alro operates over 80 locations in 16 states and provides a broad inventory of products under the following companies: Alro Steel, Alro Metals, Alro Metals Outlet, and Alro Plastics.
