

# About Alro

In 1948, Alro was founded in Jackson, Michigan with the promise of reliable customer service and superior products. Today we have grown to 70+ locations in 12 states.

## Alro Steel

Alro Steel carries a vast inventory of metals with a variety and depth unmatched in the industry. Aluminum, alloy, brass, bronze, carbon steel, cast iron, copper, stainless and tool steel. This comprehensive selection ensures that we can consistently meet the diversified material needs of our customers everyday.

## Alro Industrial Supply

Started in 1964, Alro Industrial Supply features products from outstanding manufacturers for all your tooling applications. We offer tool management solutions as well as cutting tools, coolants, die supplies, abrasives and more.

## Alro Plastics

Began in 1987, Alro Plastics is a major distributor of engineering plastics, stocking a wide range of sheet, rod, tube, profiles and fabricated parts. Alro Plastics offers same day cutting and shipping as well as custom machined parts to print.

## Alro Metals Outlet

Alro Metals Outlet locations act as an outlet store for metals, plastics and hardware supplies. We stock a broad range of products in a convenient retail setting. Metals Outlet specializes in small and large orders, perfect for do-it-yourself (DIY), machine shops and maintenance departments.
